

INN AT THE STATION

A great place to EAT, DRINK, MEET and SLEEP – you will always be assured of a real warm welcome.

Most of our food is home-made, freshly cooked to order and we work with local suppliers to source quality produce.

Please bear with us during busy periods.

Fresh food takes longer – we think it's worth the wait!

We will take your order at your table, but please feel free to order at the bar (quoting your table number) if you prefer.

Following recent media and government attention regarding the distribution of "tips" in the hospitality industry, our customers should be aware that if they tip, 100% is fairly split between our serving staff and chefs!

Food Service Times:
